

2021 Farmers Market Nutrition Program Vendor Training

Dear farmers market vendors and farmstand operators: Please find below free training options for new and returning vendors for the 2021 market season. For 2021 the program will be offering seven dates for webinar training from home computers as well as two dates where the webinar will also be available at participating ISU Extension Offices.

If you are a returning vendor & unsure of your training needs, you can log in with your username and password to <http://www.idalsdata.org/fmnp/index.cfm?fuseaction=main.showLogin> – after logging in, the information displayed will include the next year you need to complete training.

- Below on page 2 are listings of the dates and times of each webinar. For those watching at home: Using the information below, select the webinar you would like to attend and copy and paste the corresponding URL (in blue font beginning with “https”) into your web browser and hit “enter” – or simply click the URL link as presented for each training date. You will then be taken to a registration page for the training session you have selected.
- In order to hear the presenter, you will use your computer's speakers (VoIP). Please make sure your computer's speakers are working prior to the webinar (you can try listening to a YouTube video for example).
- You will receive confirmation e-mails shortly after registering, 24 hours prior to the training session, and again one hour before the session. To join/attend the training session, simply click on the live link provided in any of the confirmation e-mails from any computer (or one of GoToWebinar's free mobile apps).
- To check to see that your computer and accessories meet the minimum system requirements: go to https://support.logmeininc.com/gotowebinar/help/system-requirements-for-attendees-g2w010003?c_prod=g2w&c_name=iph and click “to join a web cast” for details.
- Please note: to ensure that you have completed the training, you will be prompted two or three times during the session to send the presenter a typed message and/or complete simple multiple choice questions. Any questions you may have during or after the training session are delivered to the presenter by typing into a comments box that will be provided on your computer screen.

Each webinar will last about an hour.

Watching the webinar at home: to begin the free registration for a particular training event, simply click on the appropriate “https” URL code in blue on page 2 (or copy and paste it to your web browser).

Questions? Contact Paul Ovrom at 515-242-6239 / paul.ovrom@iowaagriculture.gov or John Krzton-Presson at 515-725-1179 / john.krzton-presson@iowaagriculture.gov
